CORPORATE ADVENTURES

WHAT WE CAN OFFER YOU

Adventure awaits as we set sail for an invigorating day of activities amidst the stunning beauty of The River Wear, based at our Chester-Le-Street site (Durham), just a 30 minute drive from Newcastle City Centre.

We offer transportation services from your workplace or any other designated location of your choice. All necessary water sports equipment will be provided for the duration of the day.

We provide delightful hot lunch and refreshing beverages will be on-hand throughout the day. For your convenience, we offer changing rooms and toilet facilities, ensuring your utmost comfort. Moreover, you will have exclusive access to our water sports center, situated by the riverside, with ample parking facilities.

To capture the memories of your thrilling day, we offer complimentary photographs and GoPro footage.

PRICING

Half-Day Session: £65pp (+VAT)*

CORPORATE ADVENTURES

CORPORATE RESPONSIBILITY

We have a passion for educating, we can educate staff, guests, and local communities about environmental issues and the importance of conservation. By raising awareness through engaging team-building activities, we encourage responsible behaviour and foster a sense of environmental stewardship among co-workers.

Further, we collaborate with local environmental organisations and businesses to drive collective action for environmental protection. We advocate for sustainable policies and practices within the travel and tourism industry, contributing to broader positive change

During your adventure our expert guide will discuss the importance of our environment, while you observe your surrounding wildlife.

GUEST TESTIMONIALS

“ This was a fantastic team building activity, the team were very professional and we all felt very safe. It was great having freedom on the water to learn a new skill.

“ Although I had a few soggy incidents it added to the fun, I found myself having more confidence than I thought I would when I fell off and the team were very supportive.

“ Colleagues were jealous when I told them what a great experience I had, it was fantastic!
